Energy Recovery Filter System

Restaurant owners face rising energy and maintenance costs, more strict air quality guidelines and a growing level of competition which leads to smaller profit margins on a daily basis. To help combat these issues Accurex is pleased to offer the latest advancement in kitchen ventilation systems.

1 A portion of the incoming cold water is redirected through the hood filters utilizing integral heat exchangers

- ▶ 2-3.5 GPM
- ▶ Pre-engineered control panel
- ▶ Water is pumped to hood to avoid water pressure concerns

Best Applications

- ▶ High heat appliance line-up
 - Charbroiler, woks, etc.
- ▶ Large hot water demand
- ▶ Energy conscious owners
- ▶ Hospitals
- ▶ Universities
- ▶ Buffet style restaurants

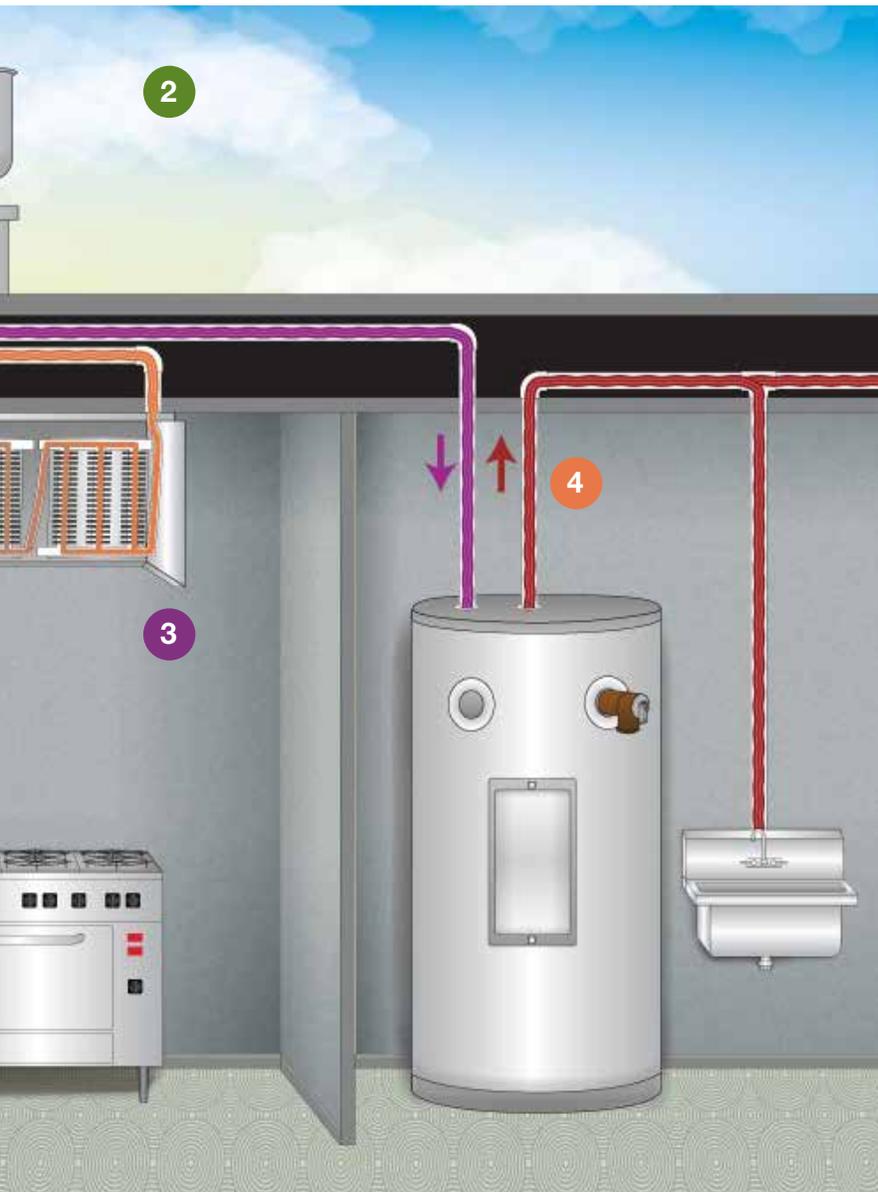

Accurex Energy Rec
A revolutionary way to save

2 Lower Maintenance Costs

- ▶ 5 times the grease removal of baffle filters
- ▶ Cuts your hood and duct cleanings in half
- ▶ Remove filters monthly to clean instead of daily

3 Energy Recovery Filters

- ▶ Quick disconnects for easy filter removal
- ▶ Copper heat exchangers built into a stainless steel baffle filter
- ▶ UL 1046 and NSF Listed
- ▶ 88% grease removal
- ▶ Cooler filters leads to less baked on grease

4 Pre-heated water is sent to the hot water heater

- ▶ Higher incoming water temperatures at the hot water heater requires less natural gas—resulting in lower monthly utility bills

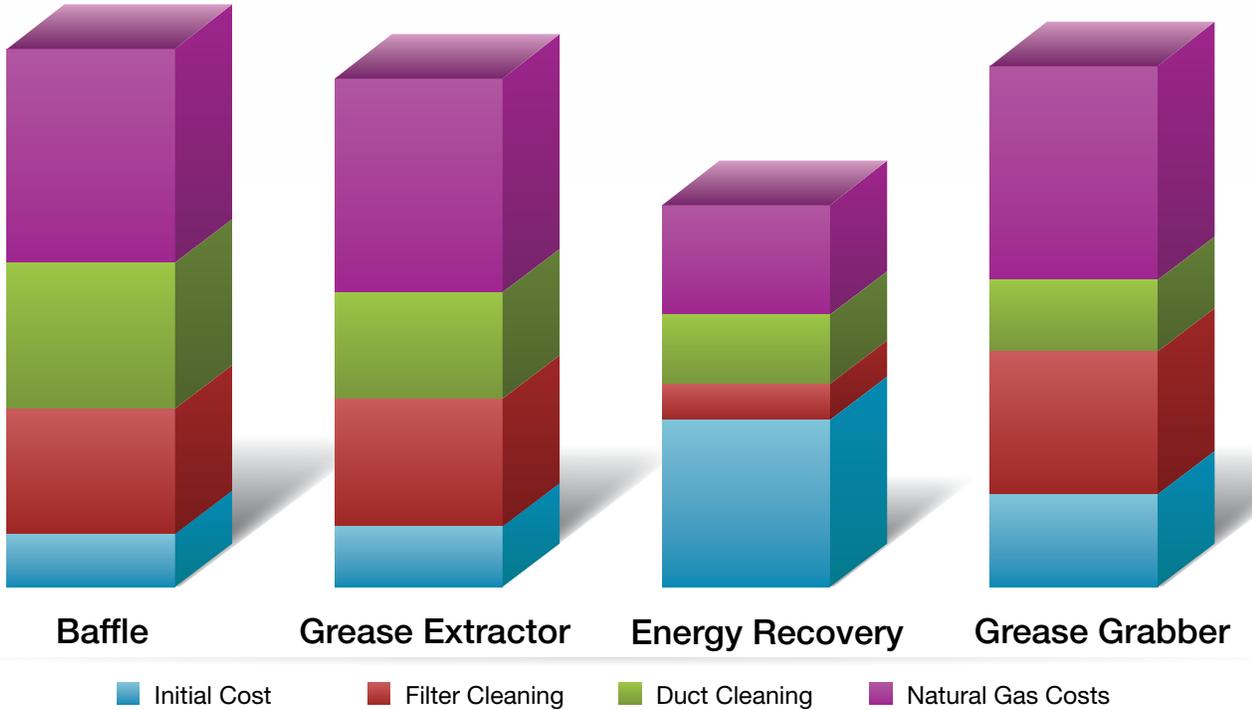

Energy Recovery Filter System

- ▶ Available in popular sizes of standard hood filters
- ▶ Heats water when it is needed most
- ▶ Tool-less filter removal
- ▶ New construction or retrofits

*Energy Recovery Filter System –
Saves on energy and maintenance*

Energy Recovery Filter System

Hood Operating Cost Comparison

- ▶ *Don't just buy based on initial hood costs. While baffle filters offer the lowest initial up-front cost, the maintenance cost required to deal with the grease they do not stop can add up over time.*
- ▶ *Once the grease makes it past the filters it becomes a maintenance expense to prevent build-up in the duct, on the roof or on the neighbor's property and a safety concern.*

Our Commitment: As a result of our commitment to continuous improvement, Accurex reserves the right to change specifications without notice. Specific Accurex product warranties are located on accurex.com within the product area tabs and in the Library under Warranties.
